REPORT
ON

Kerala Startup Mission organized the seventh edition of the flagship event IEDC Summit 2023, bringing together Student Innovators and all other connected stakeholders under one umbrella. This year, the IEDC Summit was hosted by Rajagiri school of Engineering and Technology, Kakkanad, Kochi on **04th March 2023.**

The Summit was inaugurated by Shri P Rajeev [Minister for Industries Law and Coir] & Dr. Renu Raj IPS [District Collector, Ernakulam]. Around 20 students from Royal College of Engineering & Technology attended the session [10 students were sponsored by IEDC RCET]. The students were under the guidance of Mr. Dinto Thomas [Nodal officer, IEDC RCET] & Ms. Rinu Sara Cherian [Convener, IEDC RCET] during the event. Students utilized the session to enlighten their ideas and encouraged students to think out of the box to get some useful innovation. The Summit had witnessed a series of technology tracks, brainstorming sessions, interactive community meet ups and product exhibitions. The presence of corporate leaders provided students a deeper insight about latest technology trends.

Participation of students in Kerala Innovators Technology Expo 2023:

Six students (Akhil V.A, Nithin, Anjana, Roshan (from CSE) ,Sterin (ECE) & Anshif (from AD) participated with title "AI integrated Automated Chef-Flavor box" in Kerala Innovators Technology Expo 2023 conducted KSUM. Student innovators exhibited their innovation at IEDC Summit.
