“SHE HACKATHON LEVEL ONE”

RCET IEDC in association with IEEE conducted an event “SHE HACKATHON” on 12/05/22 Thursday at 2.30 pm. The program is planned for female students in which 70 students registered for the event, among them 41 students participated from various branches including AD,EC, EEE, CSE and CE .

The event was coordinated by Ms Shefeena Ashraf and Ms Rinu Sara Cherian under the guidance of Mr Dinto Thomas Nodal officer, IEDC.

The session was hands- on workshop on Soldering and was handled by Ms Siji, Ms Supriya, Ms Sumangala and Mr Moosa. The students actively participated in the workshop by splitting into various groups. The program came to an end by 4.00 pm.

The event SHE HACKATHON focus on women empowerment in which we are planning various programs under this in coming academic years.
