

WORKSHOP “#OUTOFSYLLABUS

IEDC of Royal College of Engineering & Technology conducted an entrepreneurship oriented workshop named “#OUTOFSYLLABUS” on 22/09/2017 from 9:00 am to 3:30pm at the seminar hall for the students, who are in a wish to move forward with their own startup company in the future. The section was handled by Mr. Rohith Radhakrishnan, CEO, Openfuel who delivered an informative content about entrepreneurship and start-ups. The program was started with a welcome speech of IEDC coordinator Mr Suhas.P.S(AP/ECE). Our Respected Principal Dr. P. Subramanian inaugurated the event.
